

Transform the future with the Prime expertise

## Who We Are?

Prime Resource is a dynamic talent and HR solutions provider dedicated to empowering business growth. We connect organizations with top-tier talent today while pioneering transformative software for the future of work. Grounded in integrity, innovation, and a client-centered approach, we deliver high-impact, customized solutions. We are your trusted ally in building resilient, successful teams for sustainable success.

## Services We Offer

We provide end-to-end talent solutions, specializing in **executive search, IT, healthcare, and finance recruitment**. Our services extend beyond placement to include comprehensive **HR consulting, operational support, and payroll management**. Leveraging deep industry expertise and a vast network, we deliver tailored strategies that build resilient, high-performing teams designed to drive your business objectives and fuel sustainable growth.

## Pricing Model

We believe in transparent, value-driven partnerships. Our pricing is tailored to your project's specific scope and complexity, ensuring you receive a cost-effective solution without compromising on quality. We offer flexible models, including **retained search, contingency, and dedicated HR project fees**. Please feel free to contact us for a personalized consultation and a detailed quote designed for your business needs.

## Our Clients

We have successfully partnered with a diverse range of clients, including startups, mid-sized enterprises, and MNC's across industries such as healthcare, IT, finance, manufacturing, and professional services. Some of our key clients include:

- Friday Media Group
- Minor Bugs
- RevCircle
- Prime Teaser
- NimisTech
- Renegade Expert
- Aalam Bibi Foundation
- RTC League
